**Daily Detox: Mica Miracle is like a 24/7  
cleaning crew for your cells, organs, and systems.**

### **Detoxify your body every day.**

Modern life is very tough on our bodies. We breathe in toxins and pollutants as we walk down the street. Our food is filled with artificial flavors, colors, sweeteners, and preservatives - all foreign substances to our bodies.

Mica Miracle neutralizes heavy metals and other harmful contaminants, attaches to them, envelopes them, and safely leads them out of your body. Just add 5 drops to every glass of water you drink!

### **How it works**

Mica Miracle is formulated to instantly purify your water. Once mixed with the water, the magnetic minerals dissolve and become part of the water. Since the magnetic ions in Mica Miracle trap, hold, and neutralize the toxins - they can never harm you!

**Mica Miracle takes the bad stuff out and  
puts the good stuff in! You'll be surprised  
what you find in your "clean" water.  
*Hint: clumps of junk!***
